Johnny DC says: Let the mail begin!

Hey, I'm Johnny DC, the kid who mixes the music and the mail at the CARTOON NETWORK BLOCK PARTY. Here's something cool--our first fan drawing of an agent from CODENAME: KIDS NEXT DOOR! Weston Weaver is ten years old and he drew Numbuh Four (or is he four years old and drew Numbuh Ten)? Anyway, Weston is from the creative land of California.

[DRAWING BY WESTON WEAVER]

Dear DC,

My name is Greg Bright. I am 9 years old. I love your comic books. I have 99 comic books. I read some every day. My goal is to get to 200 comic books. If I get more than 200 comics I would be so happy.

Greg Bright, age 9
Columbia, Connecticut

Awesome! 200 comic books! Can I read some?
– Johnny DC

[DRAWING BY KENDALL CAMERGO, AGE 5]

Dear Johnny DC,

I am trying to be a comic book artist. My dream is to have my comics published! My comic is called BUG O' FIE! It's about three friends who have adventures with bugs. I'm sending one called "Almost Vacation" (there are no bugs in this comic, but it is the best I drew).

Melody Calderon
Albuquerque, New Mexico

You ARE a comic book artist, Melody! You drew a comic, didn't you? It's especially cool where you say you're sponsored by Blubber Cheese Muffins (gross)! I couldn't fit in your whole comic, but here are a couple of panels. Next time, put in more bugs!

Dear Johnny DC,

I love CARTOON NETWORK BLOCK PARTY! The drawings are so detailed and cool. I read all of the comics even though some of the shows I don't even watch on TV. My favorite shows in the comics are KIDS NEXT DOOR and ED, EDD AND EDDY. I always watch those shows and always read the comics. My favorite KIDS NEXT DOOR character is Numbuh Two, he is so cool. Keep up the good work!

Samuel Lonsberry
Lakefield, Florida

How could we not keep up the good work, with such cool fans? And here's our second drawing of Numbuh Four. Numbuh Four is number one in this book!
